

HONOURS SCHOLARSHIPS

Institute for Molecular Bioscience offers scholarships for high achieving students to undertake an Honours project at IMB

About IMB

IMB is one of Australia's leading multidisciplinary life sciences research institutes working to pursue discoveries in medical genomics, drug discovery and biotechnology.

IMB students can undertake research across many disciplines, including those represented within our divisions:

- Chemistry and Structural Biology
- Genomics of Development and Disease
- Cell Biology and Molecular Medicine, and research centres:
- Centre for Pain Research
- Centre for Inflammation Research
- Centre for Rare Diseases
- Centre for Superbug Solutions and breakthrough sciences programs in:
- Mechanobiology
- Algal Biomedicine
- Biomembrane Engineering

Institute for Molecular Bioscience

CRICOS Provider Number 00025B

For: Domestic and International applicants intending to commence an Honours project at IMB.

Eligibility: Honours Scholarships are awarded on academic merit, research potential and personal attributes, such as leadership and community service. The Applicant must undertake an Honours project full-time within IMB under the primary supervision of an IMB researcher.

Value: \$2,500

Duration: One academic year (full-time)

How to apply:

Download the IMB Honours Scholarship Application form from the IMB Postgraduate website

postgraduate.imb.uq.edu.au

Complete and submit this form by email to the IMB Postgraduate Office **postgrad-office@imb.uq.edu.au**
