## **CHAPTER- 1: List of Common Entrance Tests (CET) / Admission Codes**

The admissions to the programmes of studies in the Guru Gobind Singh Indraprastha University (GGSIPU) are primarily through common entrance tests (CET) conducted by the University or on merit of the qualifying degrees. The programmes of studies are grouped together, on the basis of common syllabi (for CET), for the purpose of conduction of CET. The programme(s) groups, wherever a CET is to be conducted, are assigned a unique CET code. If a programme or programme group is such that the admissions for them is not on the basis of a CET conducted by the University, then the CET code for that programme or programme group is treated as the Admission Code. Thus, without creating any ambiguity, this document may use the term CET code or Admission Code as synonyms.

The programmes shown in any CET programme group is on the basis of programmes whose admission was done through the concerned CET in the academic session 2015-16. The University reserves the rights to add or remove any programme from the list of programmes grouped together for the purpose of admissions.

The University reserves the right to cancel any CET.

Only Indian citizens candidates are eligible for admission through this admission brochure except for Post Graduate Medical Courses CET (CET CODE 102). For Post Graduate Medical Courses CET (CET CODE 102) only, candidates who have completed their MBBS degree from GGSIPU, are eligible (For detailed eligibility condition see Chapter 2).

Terms and conditions notified in this brochure, and notified time to time on the University website <http://www.ipu.ac.in>, shall be binding on all applicants. In case of any dispute, the decision of the Vice-Chancellor, Guru Gobind Singh Indraprastha University, Delhi shall be final.
